MEMORANDUM FOR: Deputy to the DCI for National Intelligence Officers

SUBJECT: Annual Report for PFIAB

1. My staff is preparing the Agency's contribution to the DCI's Annual Report to the PFIAB. I would like to have any significant information or comment you wish to add to the material included in the recent Program submissions.

2. Thanks to those submissions, we already have a great deal of material. However, you may wish to add information on notable accomplishments of the NIO structure since the Program submissions.

3. You will, of course, be involved in the final report as part of the Community structure and will be contributing through the KEP process to judgments on Community effectiveness. However, we would like to have as inputs to the Agency portion of the report your comments on what you see as Agency problems and issues with regard to the Community and on the specific plans of the NIOs for improving substantive products.

4. [redacted] should be contacted for any additional guidance or information that might be helpful. I would appreciate receiving your responses by COB 24 July 1975.
